Professional Experience

2023 November –
present
Indore, India

Associate Software Engineer

techinfini solutions pvt. ltd 

Highly skilled Shopify Developer with a focus on the design section, specializing in fully customizing themes to ensure optimal functionality and user experience. Proficient in translating client requirements into visually appealing and responsive Shopify stores, adept at implementing advanced features and integrations to enhance online presence and drive sales.

Key Responsibilities and Achievements:

- Led the design section of Shopify development projects, collaborating closely with clients to understand their vision and branding requirements.
- Utilized expert knowledge of HTML, CSS, JavaScript, and Shopify Liquid to customize themes and templates, ensuring seamless integration of design elements and functionality.
- Implemented responsive design principles to optimize user experience across desktop, tablet, and mobile devices, resulting in increased customer engagement and conversion rates.
- Conducted thorough testing and debugging to identify and resolve any issues, ensuring smooth operation and functionality of Shopify stores.
